2. Mark ✓ everyday you do NOT fall
3. Mark ✗ for any day you do fall

• If your vision is worsening, or if your glasses no longer help you see well, have your vision tested by your optometrist, or ophthalmologist.

• Always take your time when getting up from the bed or chair to avoid getting dizzy.

• Drink 4 or more glasses of fluids each day that do not contain caffeine (water, juice, de-caffeinated beverages are good).

# MARCH 2018

1. Mark this Calendar **everyday**
2. Mark ✓ everyday you do NOT fall
3. Mark ✗ for any day you do fall

## Shoe features to avoid:

- soles that are too thick
- tread that is too smooth
- heels that are too high
  
- Avoid all flip-flops and open heeled slippers or shoes.
  
- Use a small, light-weight handbag with an over-the-shoulder strap.
  
- Or use a fanny pack instead of a purse.

# APRIL 2018

1. Mark this Calendar **everyday**
2. Mark ✓ everyday you do NOT fall
3. Mark ✗ for any day you do fall

- If you've had a fall, don't panic.
- Don't try to get up until you are sure that you are not injured.
- If you feel pain, stay on the floor or ground and call for help.

- If you are alone at home, try to crawl to the telephone to call for help. If you have a personal alarm system, use it to get help.

# DECEMBER 2018

1. Mark this Calendar **everyday**
2. Mark ✓ everyday you do NOT fall
3. Mark ✗ for any day you do fall

Use of proper equipment or mobility aid decreases fall and injury risk.

Examples are:

- Personal alert devices
- Walker, cane, wheelchair
- Bedside poles or half bed rails
- Raised toilet seat
- Bath stool or bench
- Hand-held shower
- Slip-resistant strips for shower, tub or floor
- Hip protectors
- Grab bars
